AI-based mobile photo editor with real-time filters and image enhancements.

Portfolio Website: React, Next.js, Tailwind CSS, Three.js

3D-enhanced personal portfolio deployed on GitHub Pages.

WORK EXPERIENCE

Intern, Software Developer

KolayCAR

Kayseri, Turkey

06/2025 - 07/2025

- Contributed to a .NET-based car rental platform, optimizing full-stack features in C# and JavaScript.
 - Refactored code and solved bugs, improving platform stability by 25%.
 - Worked with backend and design teams to streamline workflows and extend UI components.
-

Intern, Software Developer

SA Yazılım

Kayseri, Turkey

02/2025 - 06/2025

- Developed an MVP courier app using Flutter within 8 weeks.
 - Designed Microsoft SQL Server database schemas and implemented real-time data synchronization via RESTful APIs.
 - Fixed 20+ pre-launch issues and collaborated in agile sprints to ensure a smooth release.
-

Part-Time .NET Developer

KolayCAR

Kayseri, Turkey

01/2024 - 03/2024

- Built backend APIs for 100+ internal users, improving data flow and achieving 90% uptime.
 - Created secure database schemas and integrated mobile APIs, reducing response latency by 30%.
 - Participated in code reviews and sprint planning sessions.
-

Intern, Mobile Application Developer

KolayCAR

Kayseri, Turkey

07/2023 - 08/2023

- Built and tested features for a React Native rent-a-car app deployed on multiple tablet models.
- Improved UI/UX from user feedback and resolved 20+ cross-platform issues with a 3-person team.
- Supported deployment, tested on multiple devices, and documented code and APIs.
